About EBSCO eBooks

With EBSCO's extensive collection of eBook titles on *EBSCOhost*, users can search within a wide range of relevant eBooks using the powerful *EBSCOhost* search experience. With every search, relevant eBook titles will appear directly alongside databases and other digital content, exposing users to the full depth of the library's offerings. With hundreds of thousands of titles available across all major subject areas, libraries can build collections of frontlist titles from the world's leading publishers to complement any library collection need. Users can access the full text of eBooks from their computer, or can download titles to most popular portable devices.

System Requirements

In order to effectively use all *EBSCOhost* features, the minimum browser requirements are Internet Explorer 7.0, Firefox 8.0, Google Chrome 16, and Safari 5.1 (for Macintosh). You must also have Adobe® Reader® installed to view the PDF Full Text files. If you are using Visual Search, you must also install Adobe® Flash Player 8.0 or higher.

In order to download and read eBooks offline, Adobe Digital Editions (v 1.7.1 or higher) must be installed on your computer.

Inside this User Guide

Searching for eBooks

The default search screen for EBSCO eBooks is basic search. The eBook Collection landing page displayed below is available by clicking the **eBooks** link in the top toolbar.

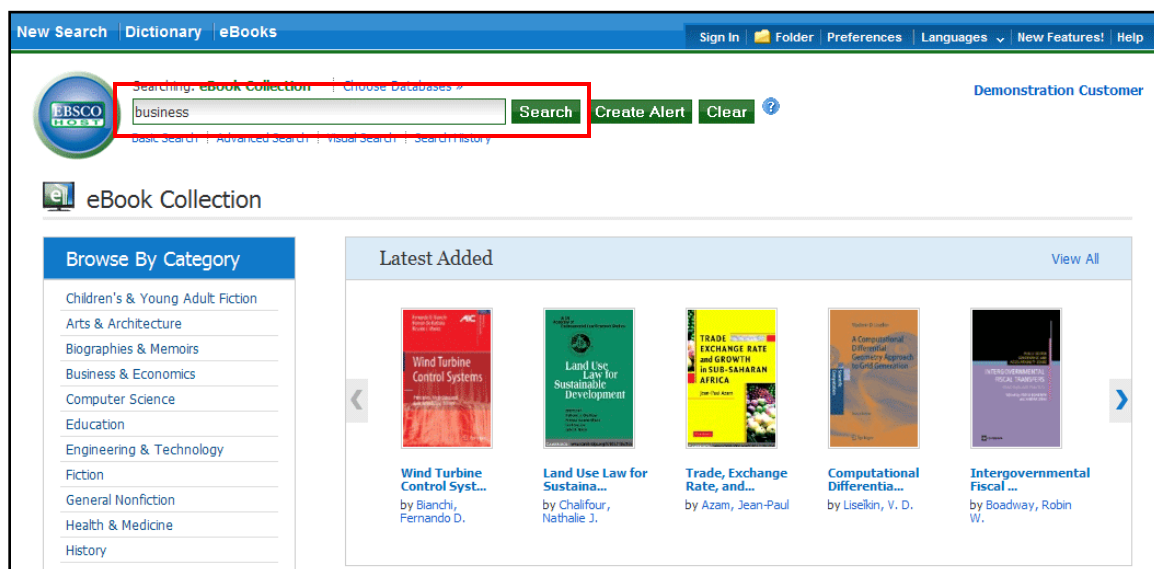

There are several ways to search for EBSCO eBooks:

- Perform a keyword search of the eBooks database using the **Find** field.
- **Browse by Category** by selecting a category from the column on the left.
- View the **Latest Added** eBooks using the left and right arrows or click **View All** to view a result list of all latest added eBooks.
- View **Featured eBooks** using the left and right arrows or click **View All** to view a result list of all Featured eBooks.

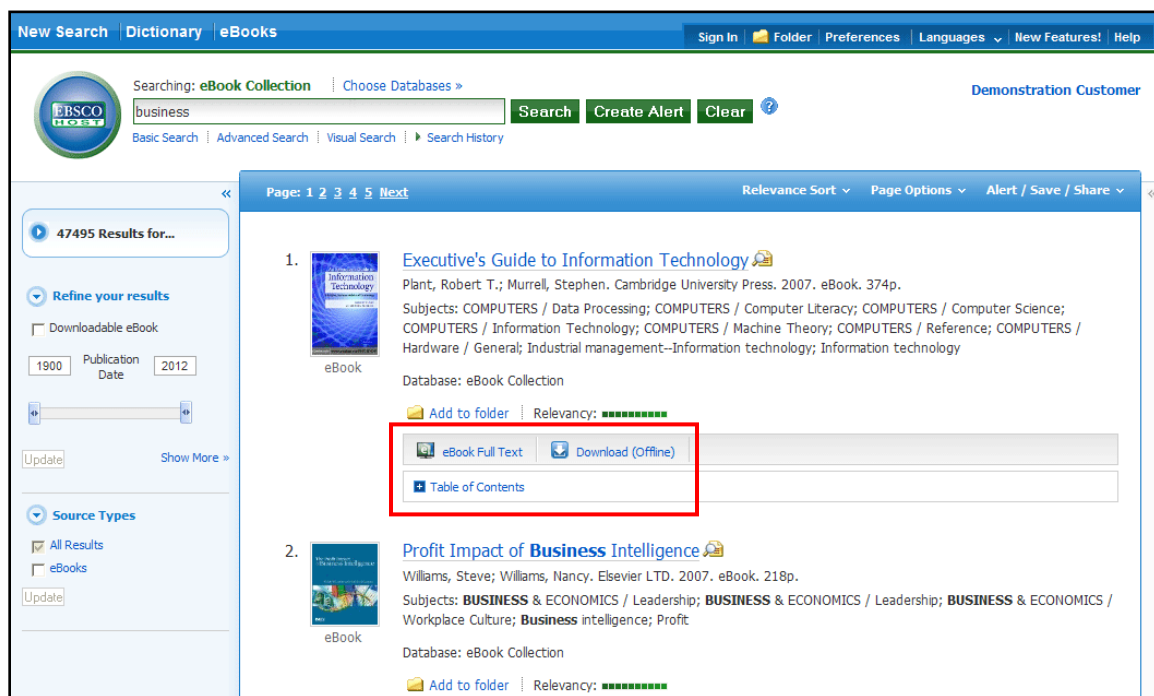

Note: If you are accessing EBSCO eBooks in EBSCO Discovery Service, the eBook Collection landing page is not available.

To search for eBooks:

1. Enter your search terms in the **Find** field and click the **Search** button

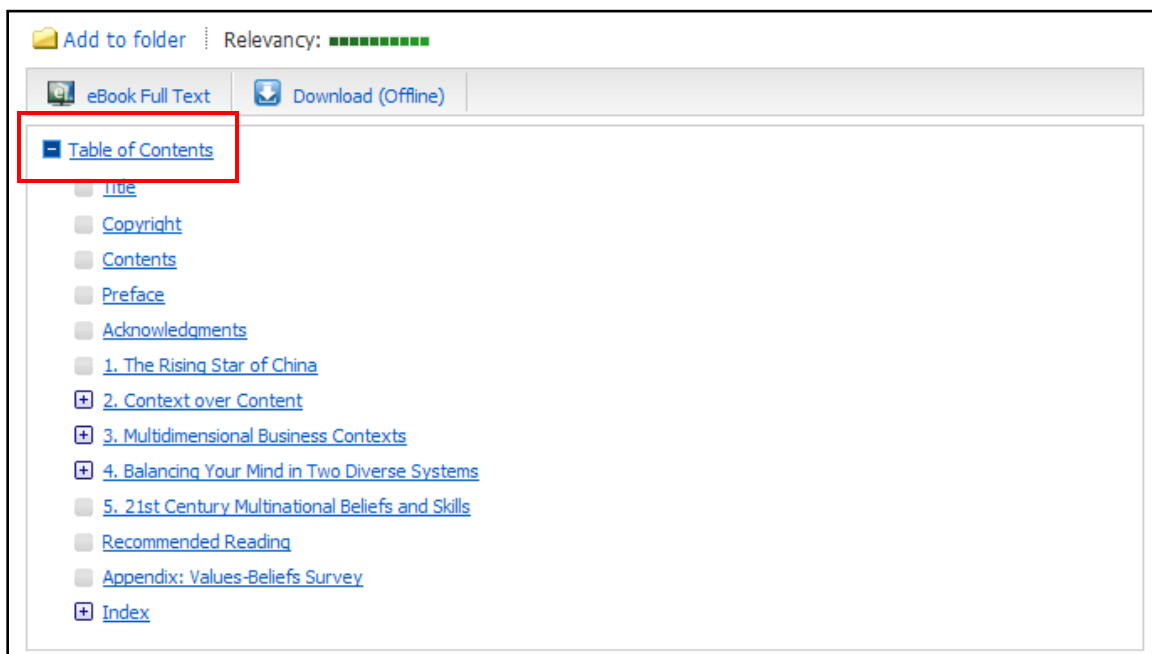

2. A Result List of eBooks related to your search terms is displayed.

3. Click the **eBook Full Text** link to read the book in the eBook Viewer tool.
4. Click the **Download (Offline)** link to check out the book and read it on your computer using Adobe Digital Editions. (See **Downloading an eBook** below)

Note: Libraries that have eBook download capabilities enabled will see a **Download (Offline)** link.

5. Click the **Table of Contents** link to view the chapters of an eBook. You can go directly to a chapter in the eBook Viewer tool by clicking on a hyperlinked chapter.

Note: Sections in the Table of Contents with a plus sign (+) can be expanded further by clicking the plus sign.

eBook Detailed Record

A Detailed Record can be viewed by clicking an eBook title in the Result list. From the Detailed Record, you can read or download the eBook using the links in the left column. From the right column, you can print, email, save, or export the record, as well as add the details about the eBook to your folder.

The screenshot shows the EBSCO eBook Detailed Record interface. The main content area displays the title "Executive's Guide to Information Technology : Principles, Business Models, and Terminology" by Robert T. Plant and Stephen Murrell. It includes publication information (Cambridge University Press, 2007), a description (eBook, 386p), and a list of subjects and categories. A small image of the eBook cover is shown on the right. The left sidebar contains links for "Detailed Record", "eBook Full Text", "Download This eBook (Offline)", "Related Information", and "Find Similar Results". The right sidebar contains a "Tools" section with links for "Add to folder", "Print", "E-mail", "Save", "Cite", "Export", "Create Note", "Permalink", and "Bookmark".

At the bottom of the Detailed Record, you can view **Search Terms Within this eBook** and the **Table of Contents**. Both sections can be collapsed or expanded by clicking the plus (+) or minus (-) in the upper left corner of the section.

The screenshot shows the bottom section of the Detailed Record. It features two expandable/collapsible sections. The first section, "Search Terms Within this eBook", is expanded and shows three search results. The first result is "3 The Staff MosaicWorking Together", which discusses working with a global team. The second result is "Y", which discusses Gary Grossman and Venn Strategy Group Inc. The third result is "13 Conducting Meaningful Performance Reviews", which discusses production schedules and inventory. The second section, "Table of Contents", is collapsed. The left sidebar and right sidebar from the previous screenshot are also visible.

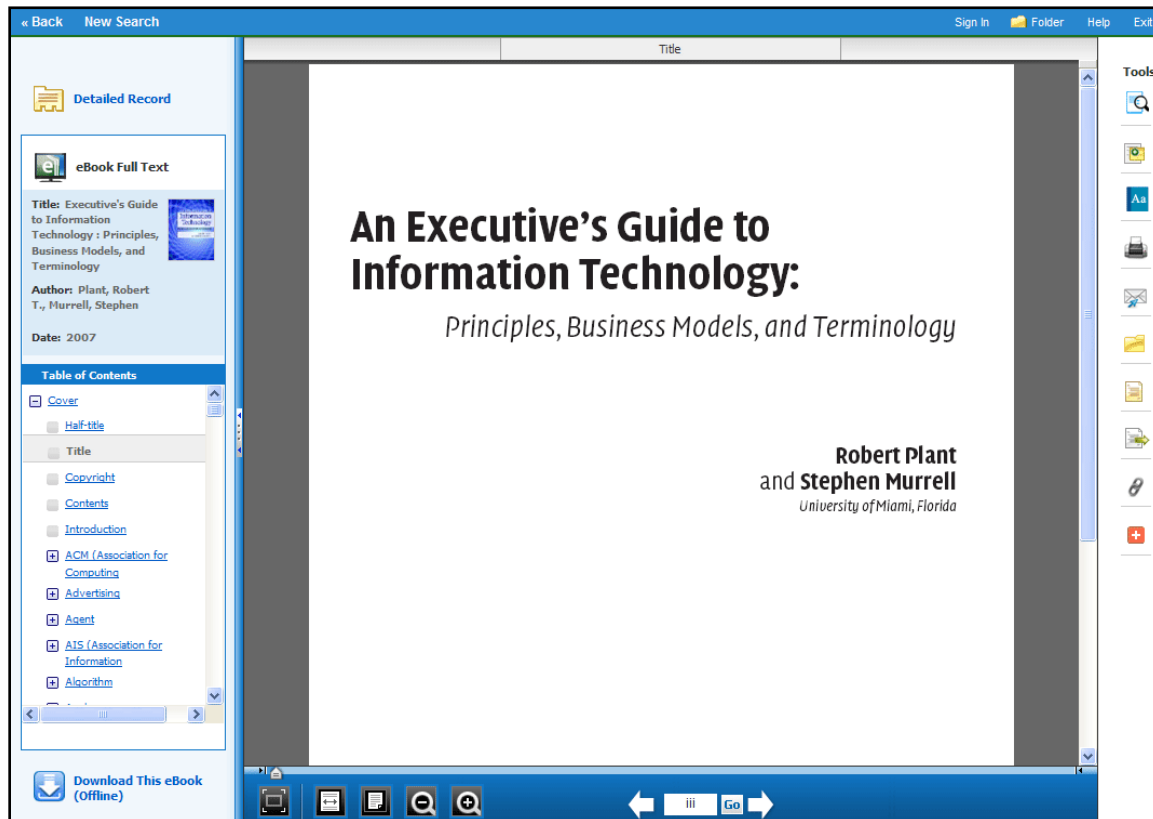

- **Search Terms Within this eBook:** Displays the most relevant sections of the eBook in which your search terms appear in the text.
- **Table of Contents:** Displays the Table of Contents for the eBook you are viewing. Clicking on a hyperlinked chapter opens the chapter in the eBook Viewer tool.

eBook Viewer

eBooks can be read online in the eBook Viewer by clicking the **eBook Full Text** link in the Result list or Detailed Record.

Note: If you are using a Mac, you will need to install a PDF Browser plug-in in order to use the eBook Viewer.

Click to download the [SchubertJit](#) plug-in.

In the top toolbar of the eBook Viewer, you can click the **Back**, **New Search**, or **Exit** links to check in the eBook after you have finished viewing it.

Included in the Tools column on the right, are tools that allow you to search within the text of the eBook and save a note on the eBook in your My EBSCOhost folder.

-  - Click the magnifying glass icon to search for terms within the eBook.
-  - Click the note icon to create a note about the eBook or a page of the eBook and save it to your personal folder.
-  - Click the dictionary icon to search for definitions of words in the eBook you are reading.

Using the eBook Viewer Toolbar

- **Fit Page to Viewport:** Click the icon to fit the entire page into the viewport.
- **Fit Page Width:** Click the icon to fit the page by width in the viewing area.
- **Fit Page:** Click the icon to view the entire page in the viewing area.
- **Zoom Out:** Click the icon to zoom out on the page.
- **Zoom In:** Click the icon to zoom in on the page.

- **Location Slider:** Drag the location slider right or left to go to a specific page of the eBook. The left and right arrows on either side of the slider bar take you to the beginning or end of the eBook. The page number updates in the Page Navigation box as you drag the location slider.
- **Page Navigation:** Use the page navigation arrows to move up or down one page at a time or enter a page number in the field provided and click **Go**.

EPUB Format

EPUB is an open eBook standard and file format that allows you to increase the size of the font, enabling you to optimize the viewing experience on desktop computers, smart phones, and tablets.

In cases when you are viewing an eBook in EPUB format, the toolbar appears as shown.

- **Fit Page to Viewport:** Click the icon to fit the entire page into the viewport.
- **Zoom Out:** Click the icon to display the text in a smaller font size.
- **Zoom In:** Click the icon to display text in a larger font size.

Note: EPUB format is not compatible with Internet Explorer browsers 7 & 8. When trying to open an EPUB format eBook in IE 7 or 8, you are prompted to upgrade your browser to IE 9. For more info about EPUB, click [here](#).

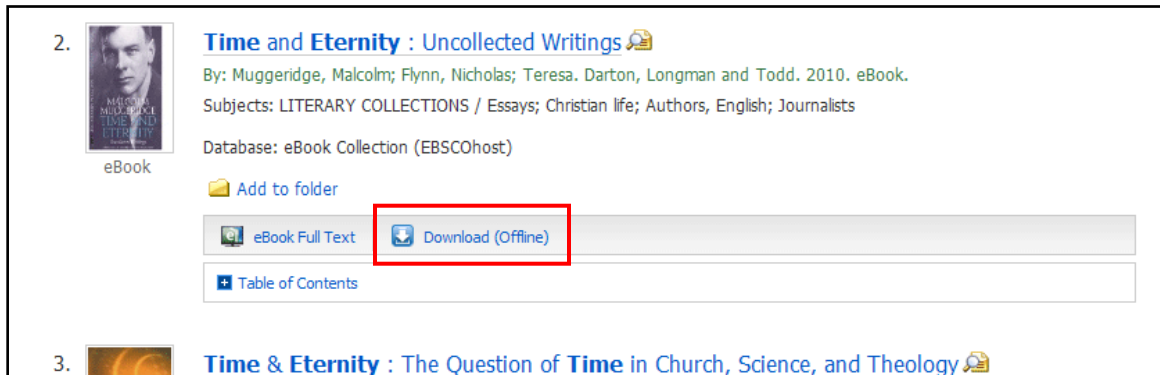

Downloading an eBook

If your library offers eBook download capabilities, you may choose to download an eBook to your computer and read it offline at a later time.

Note: Adobe® Digital Editions 1.7.1 or higher is required for offline viewing. This free software can be downloaded from <http://www.adobe.com/products/digitaleditions>.

To download an eBook:

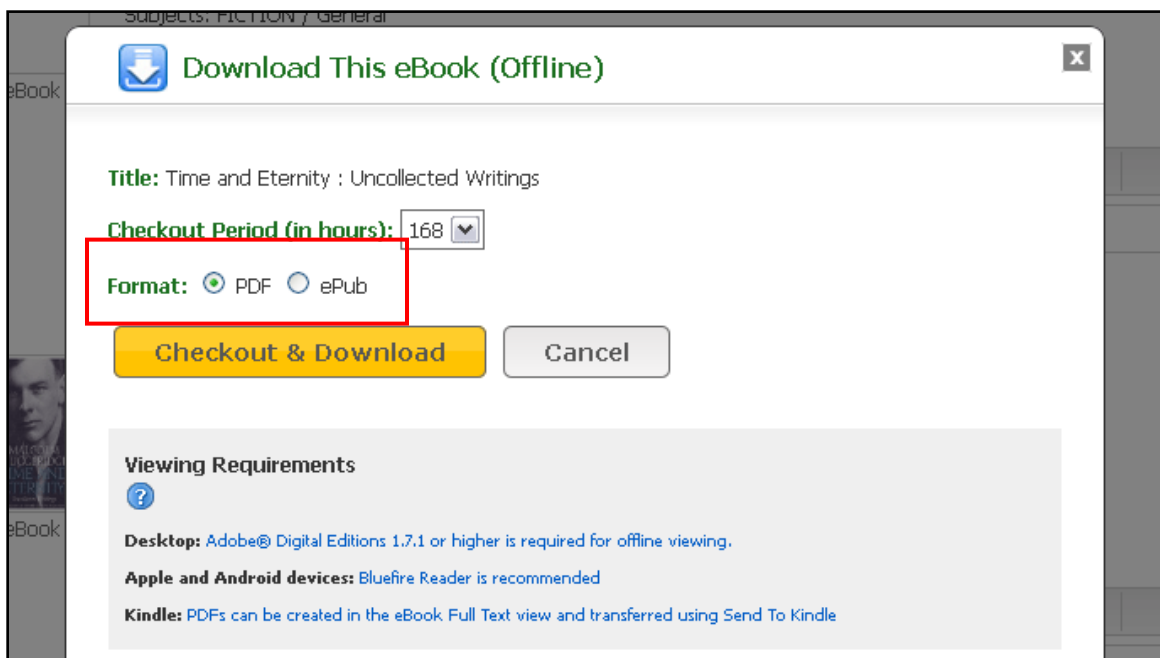

1. Click the **Download (Offline)** link for the eBook you would like to download.

If you are not logged into your My EBSCOhost folder, you are prompted to do so.

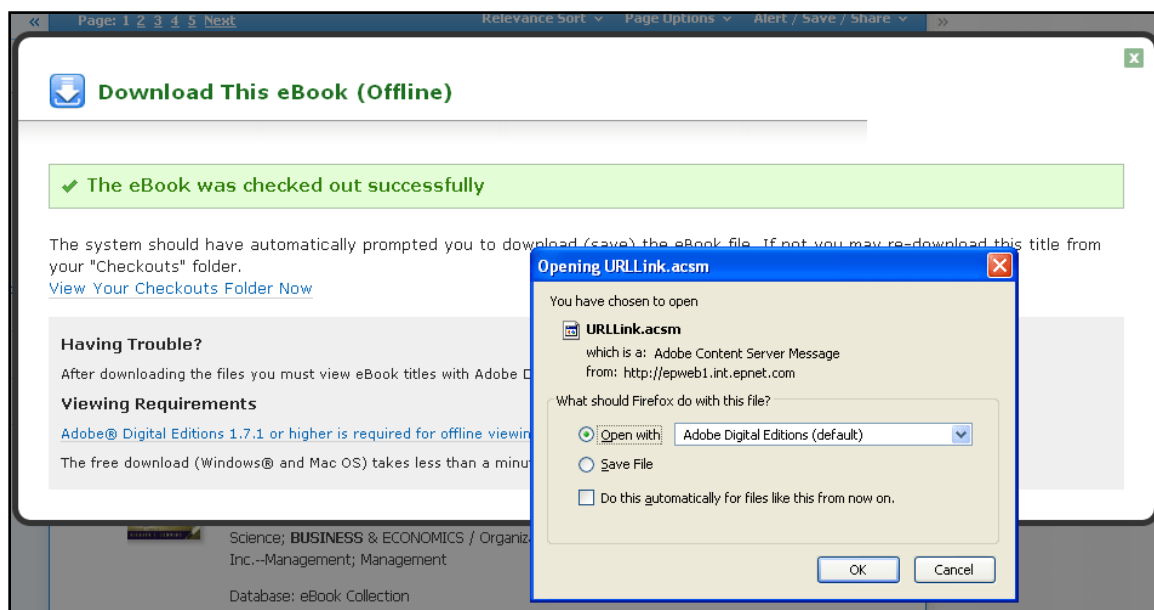

2. Select a **Checkout period** from the drop-down menu and click the **Checkout & Download** button.

Note: For some titles, you may see the option to select either the PDF or ePub format for your download. ePub is an open format that allows you to resize the text, enabling you to optimize the viewing experience on desktop computers, smart phones, and tablets.

The eBook is added to the Checkout area of the folder, accessible from the upper-right corner of the EBSCOhost interface. If you are not logged into your My EBSCOhost folder, you are prompted to do so.

3. Select **Open with** or **Save File** from the resulting dialog box.

If you select **Open with**, your eBook is opened with Adobe® Digital Editions. If you select **Save file**, the eBook is saved to your computer and can be opened with Adobe® Digital Editions at a later time.

4. When a downloaded eBook is opened, it is displayed in Adobe® Digital Editions.

Placing a Hold on an eBook

If the eBook you have chosen to download is in use by another patron, and if your library offers Holds capabilities, you have the opportunity to place a hold on the eBook to download when it becomes available. Enter your e-mail address in the field provided and click the **Place Hold** button.

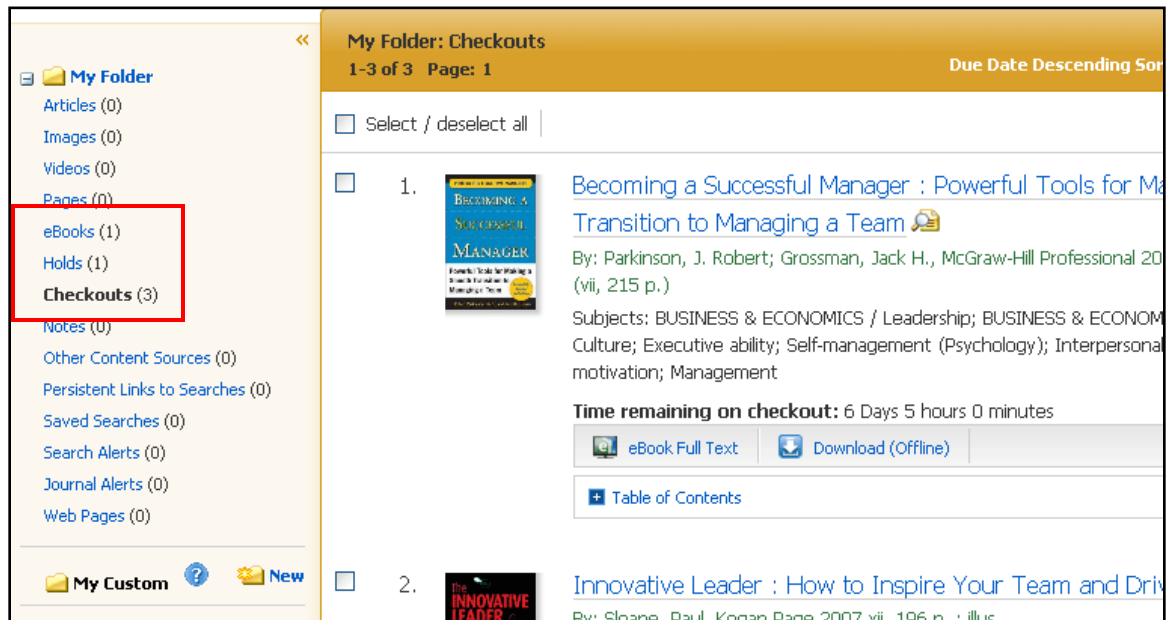

The screenshot shows a web interface with a modal dialog box titled "Place Hold". At the top of the dialog is a yellow message box that says "Sorry, this eBook is in use." Below this, the title "Place Hold" is displayed in green. The text "Please enter the e-mail that you would like to use to receive your hold notifications." is followed by a text input field containing "name@address.net". A checkbox labeled "Always use this e-mail address." is checked. Below this is a section titled "Hold Queue:" with a magnifying glass icon, stating "Currently, 0 other users are in the hold queue for this eBook." At the bottom of the dialog are two buttons: "Place Hold" (orange) and "Cancel" (gray). The background interface shows a page with navigation links like "Page: Previous", "1 2 3 4 5 Next", and "Relevance Sort".

The eBook is placed in the Holds area of your My EBSCOhost Folder. When the eBook is available, you are notified via the e-mail address you provided and the eBook appears in the Checkouts area of your folder.

eBooks and the My EBSCOhost Folder

eBooks may appear in the folder in three areas.

eBooks: When a user adds an eBook to their folder, information about the eBook appears in the eBooks area of the folder, without the eBook being checked out. eBooks may be added to the folder by clicking on the folder icon in the Result List or Detailed Record.

Holds: When a hold is placed on an eBook that is in use by another patron, it is added to the Holds area. Holds must be enabled by your library to place a hold on an eBook.

Checkouts: When an eBook is checked out, it is added to the Checkouts area of the folder. If you have not yet downloaded the eBook, it can be accessed and downloaded from here.

Creating Notes on eBooks

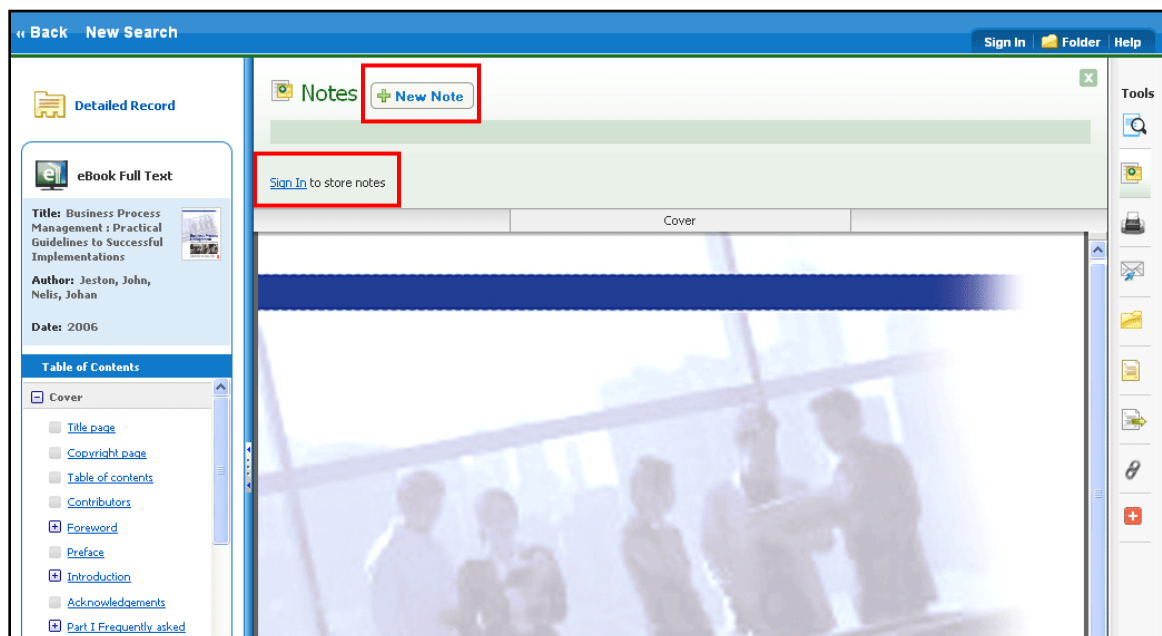

The Notetaking feature assists with your research by allowing you to take notes on eBooks and save them to your My EBSCOhost folder for later viewing.

To use the Notetaking feature in EBSCOhost:

1. From the page of the eBook on which you would like to leave a note, click on the **Notes** icon in the toolbar.

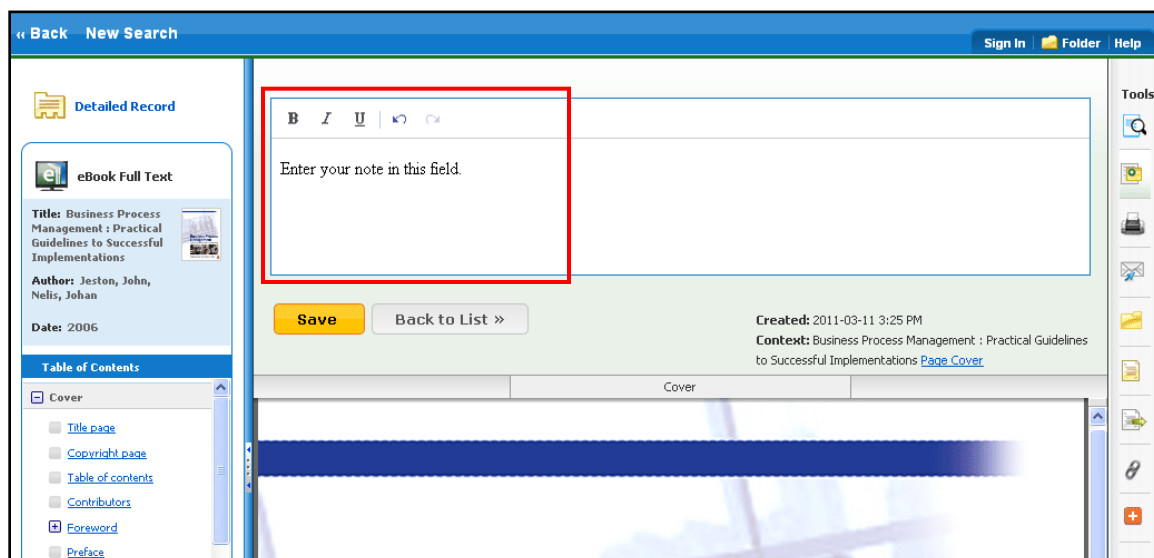

2. Click the **+ New Note** button that appears in the Notes area. If there are existing notes, they appear in a list in the Notes area.

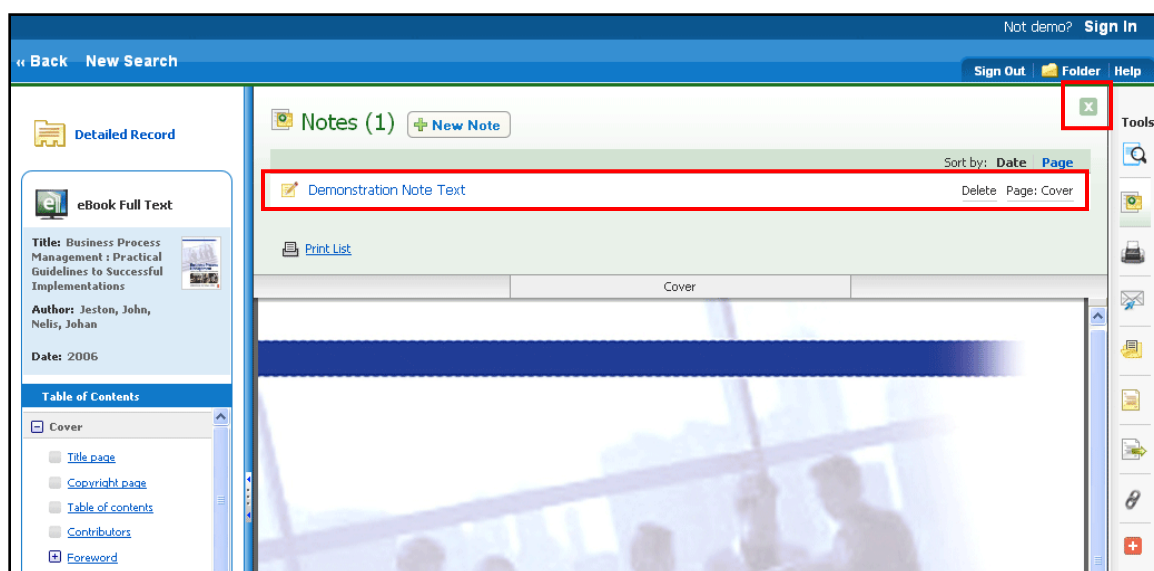

Note: Click the **Sign In** link to save your note to your personal My EBSCOhost folder account.

3. Enter your note text in the field provided and click the **Save** button.

You can adjust how the text appears in your note using the Bold, Italics, and Underline buttons above the text field.

4. Your saved note appears in the Notes list.

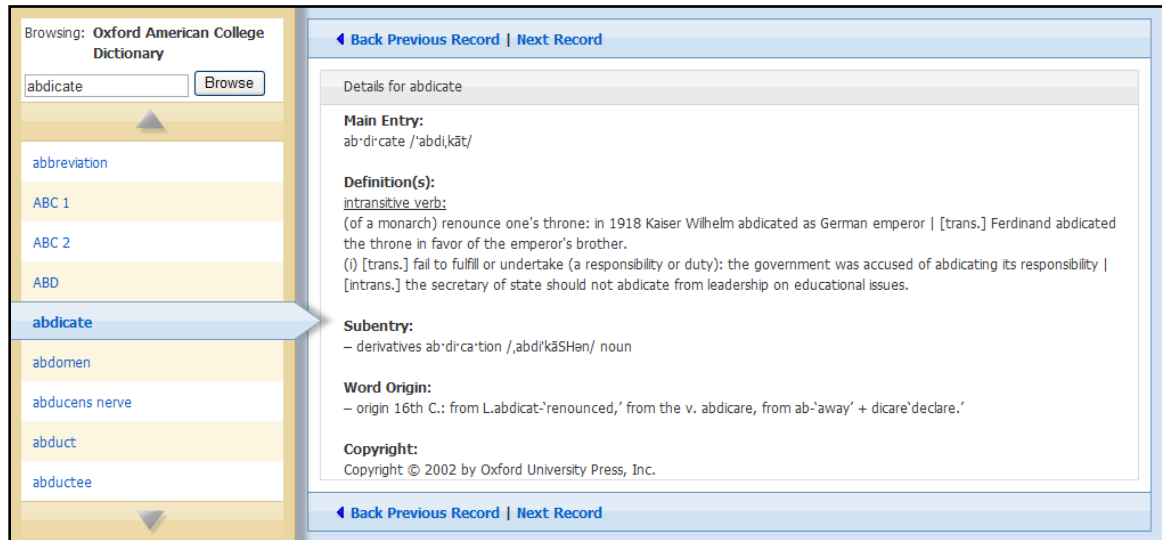

5. Click the Note title to edit the text.
6. Hover your pointer over the note to either **Delete** or view the page number of the note.
7. Click the  in the upper-left corner to close the Notes area.

Dictionary

You can search within *Oxford American College Dictionary* by clicking the **Dictionary** link in the top toolbar when EBSCO eBooks is being searched.

To browse the Dictionary:

1. Click the **Dictionary** link in the top toolbar.
2. Enter a word, part of a word, or first letter of a word in the **Find** field in the left column and click the **Browse** button. A list of entries is displayed.

3. Use the **up** and **down arrows** to browse through the Dictionary Browse List.
4. To view an entry, click on the **hyperlinked word**.
