

History 281 MiamiLink exercise

Using the topic below, search Miami's Online Catalog, OhioLINK, and Worldcat. Record your searches so that I can replicate them and provide two COMPLETE citations to materials found in your results.

Topic: Women in colonial Africa. Look for materials that discuss women in some phase of the foreign rule of any or all of the states of Africa. First plan out your search in the following table and then execute it in Miami's Online Catalog, OhioLINK, and Worldcat,

Concept I	Concept II	Concept III

I. Miami's Online Catalog

a. Perform a keyword search and record your terms in the manner in which you entered them into the catalog.

b. Perform a subject search using one of the best subjects linked in one of your catalog records from the above search. Record what subject you used and how many items resulted.

c. Limit your subject search for items published since 1990. How many results.

d. Cite one good reference.

II. Use your chosen topic for class and repeat the search above. Do the search in Miami's catalog, OhioLINK and in Worldcat.

Concept I	Concept II	Concept III

MIAMI'S CATALOG

a. Perform a keyword search and record your terms in the manner in which you entered them into the catalog.

b. Perform a subject search using one of the best subjects linked in one of your catalog records from the above search. Record what subject you used and how many items resulted.

c. If your results are greater than 25 or are not entirely on your subject, refine your search by doing some limits. Describe what you did.

OHIOLINK

a. Perform a keyword search and record your terms in the manner in which you entered them into the catalog.

b. Perform a subject search using one of the best subjects linked in one of your catalog records from the above search. Record what subject you used and how many items resulted.
